OCCUPANTS INJURED
AS AUTOMOBILE UPSETS

J. E. McKay and Miss Sadie
Reeves of Congress Heights
in Accident.

Special Correspondence of The Star.

ALEXANDRIA, Va., April 1, 1911.

While trying to prevent his automobile
from running over a dog on Nichols ave-
nue, near Brooks street, Congress
Heights, last night shortly before 11
o'clock, J. E. McKay, builder and con-
tractor, and Miss Sadie Reeves, a res-
ident of Congress Heights and his em-
ployee, were injured by the overturning
of the automobile.

Mr. McKay was taking Miss Reeves
home from his office, the home of the
young lady being only a short distance
from where he resides on 5th street, Con-
gress Heights. Just before his automo-
bile reached Brooks street, only a short
distance from the wall surrounding the
premises of the Government Hospital for
the Insane, a dog appeared on the road-
way.

Seeing that the canine was about to be
struck and probably killed, Mr. McKay
gave his car a quick turn, and it was
just as quickly overturned. The con-
tractor and Miss Reeves were thrown
from the car to the roadway. The lat-
ter was so painfully bruised about her
face and body that she had to be as-
sisted in getting into a taxicab to be
taken to the hospital.

Mr. McKay, with the assistance of sev-
eral hospital employees, was able to get
his car righted and that it had not
been very much damaged. Dr. Arthur N.
Mealy of Nichols avenue, Congress
Heights, attended Miss Reeves, who was
given first aid treatment, and took her
home in his automobile.

Miss Reeves, the physician found, in-
suffering from a severe concussion of the
head and a fracture of the right arm.
Her condition was not serious, how-
ever, and the physician thinks she will
be well in a few days.

Mr. McKay, who was not injured, was
taken to the hospital by a friend. He
was released after a few hours' rest.

The building belonged to John B. Dia-
mond and Ignatius T. Purks of Gaither-
sburg. It was finished throughout, al-
though unoccupied at the time of the
fire. The total loss was placed at about
\$10,000, one-half of which was covered by
insurance.

Immediately after the fire Elmer L.
Tschiffely of Rockville, representing the
of the insurance companies, began an in-
vestigation. After working on the case
a week or more he decided that he had
sufficient in present assets to justify an
arrest. So he wired State Fire Marshal
Thomas J. Ewell to meet him at Gaither-
sburg shortly after his arrival in Gaithersburg.

Mr. Ewell, who was accompanied by
Gaitherburg Marshal Ewell, swore out a
warrant charging Saffel with the crime.
Saffel at first denied that he knew any-
thing about the building caught fire, but
when told of the evidence against him
he weakened and admitted his guilt.
But as his only reason for not wanting
to see the people run, Saffel later signed
a typewritten confession, which was
used at the trial today.

Said to Be Weak-Minded.

It was not claimed that the defendant
did not set fire to the building, but it was
contended that he was weak-minded and
was mentally unable to appreciate the
seriousness of the act. A number of per-
sons testified that he was not right men-
tally, but the evidence failed to show
that he did not know right from wrong
at the time he committed the crime.

Gilbert Hall, George Hall, Norman Da-
vis, Robert Brown, and John E. Hall,
residents of the vicinity of Elchman, were
asked to come to Gaitherburg, placed
Saffel under arrest.

Saffel at first denied that he knew any-
thing about the building caught fire, but
when told of the evidence against him
he weakened and admitted his guilt.
But as his only reason for not wanting
to see the people run, Saffel later signed
a typewritten confession, which was
used at the trial today.
